Won't grow up  
Won't grow up  
I won't grow up  
Won't grow up

I won't grow up  
(But you gotta grow up)  
I don't wanna go to school  
(But you gotta go to school)  
It's too hard to be a parent  
(You don't have to be a parent)  
And besides the silly rules  
(No no silly rules)

I won't grow up  
(But you gotta grow up)  
Won't grow up  
(But you gotta grow up)  
I won't grow up  
(But you gotta grow up)  
Won't grow up  
(Okay)

When I was growing up I was so mischievous  
King of my class thanks for teaching us  
Doing intros on truth albums remember that  
I been doin' this Rome been on da map

In fact did it once or twice I learned a few things  
Get yo paper fo you get yo ice and diamond rings  
Don't think twice go wit cha gut feeling  
Invest in yo self for that big time feeling

And all things come in time be patient  
Ain't no money in thuggin' life start on a payment  
My choice I ain't in no rush to grow up  
I love being a kid one rule lets live it up

I won't grow up  
(But you gotta grow up)  
I don't wanna go to school  
(But you gotta go to school)

It's too hard to be a parent  
(You don't have to be a parent)  
And besides the silly rules  
(No no silly rules)

I won't grow up  
(But you gotta grow up)  
Won't grow up  
(But you gotta grow up)  
I won't grow up  
(But you gotta grow up)  
Won't grow up  
(Okay)

This the kid life and I'm livin' it up  
And me doin' music the miller boys that's us  
Sad times so I rhyme game time  
A A U championship game on the line

I'm blessed in wit fame it's all in the breathe  
That's how we ball and that's how we achieve  
I don't wanna be a parent now giving to the needy  
Breaking rules unfair just looking to be greedy

I got game so I have to share it  
And me without that is like bugs with no carrot  
The empire one day I'll inherit  
But for now I'ma kid childhood I'ma cherish

I won't grow up  
(But you gotta grow up)  
I don't wanna go to school  
(But you gotta go to school)  
It's too hard to be a parent  
(You don't have to be a parent)  
And besides the silly rules  
(No no silly rules)

I won't grow up  
(But you gotta grow up)  
Won't grow up  
(But you gotta grow up)  
I won't grow up  
(But you gotta grow up)  
Won't grow up  
(Okay)

There's a lotta kids growing up out there  
Don't be in a rush to grow up  
Just always remember if you stay in school  
You could accomplish anything you want

That's why education always come first, oh yeah  
And always listen to your parents believe in the man up  
above  
Thank you y'all for buying my record  
Let's grow together, okay

I won't grow up  
(But you gotta grow up)  
I don't wanna go to school  
(But you gotta go to school)  
It's too hard to be a parent  
(You don't have to be a parent)  
And besides the silly rules  
(No no silly rules)

I won't grow up  
(But you gotta grow up)  
I don't wanna go to school  
(But you gotta go to school)
