We can make it right for us  
We can make it right for us  
(This for everybody that been through the struggle)  
Stead of treated, we get tricked  
(Black, white, red or blue)  
Stead of kisses, we get kicked  
(We all the same, yeah)

We can make it right for us  
(Throw your hands up, put your hands up)  
We can make it right for us  
(Raise your hands up, throw your hands up)  
Stead of treated, we get tricked  
(Put your hands up, raise your hands up)  
Stead of kisses, we get kicked  
(Yeah, okay)

Growin' up in the projects, I had to stick to the script  
Every other day another person was hit  
We rode buses to school, I followed the rules  
First grade, second grade, packed up and we moved

Still had to struggle, my pops gave up his hustle  
Got into music, then game started to bubble  
My main focus is to study, stay out of trouble  
Bad Bubba, look at me now, thanks dad, I love you

Whoever thought that a 12 year old could touch souls  
Even hip-hop braids in a row, that's so cold  
I tell my friends, family and all my fans  
May God bless everyone on this land

It's a hard life, but love is love, play your cards right  
Reach for the stars, life is trouble, put up a fight  
Before you know it, your inner sides start flowin'  
We all have a talent, some just don't know

We can make it right for us  
We can make it right for us  
Stead of treated, we get tricked  
Stead of kisses, we get kicked

We can make it right for us  
We can make it right for us  
Stead of treated, we get tricked  
Stead of kisses, we get kicked  
(Okay)

Hard life is all about sacrifice  
It ain't no limit, I told y'all I'mma be alright  
I'm reachin' out to all those who might have lost their  
sight  
It's never too late, ask the Lord for life

You only got one life, it's time to do it right  
Clean yourself up, take back charge of your life  
Do us all a favor and please quit your behavior  
Count your blessings 'cause only you and God could  
save ya

To the people, when the World Trade hit the floor  
And all the soldiers in the Pentagon, God bless all y'all  
To the families and all the loved ones lost  
To the heroes in Pittsburg, you took it by far

The world state y'all, yeah, we took 'em head on  
Your names will live forever, thanks for y'all we live on  
Mr. President, nice job, well done  
Now ain't no terrorists gonna spoil the fun

We can make it right for us  
We can make it right for us  
Stead of treated, we get tricked  
Stead of kisses, we get kicked

We can make it right for us  
We can make it right for us  
Stead of treated, we get tricked  
Stead of kisses, we get kicked  
(Okay)

Everybody talkin' lil' lil' this and lil' lil' that  
I told y'all before this is bigger than rap  
It's too much hatin' goin' on, let us young ones be  
Only time will tell, I'm just tryin' to be me

I make music for people to bang in the street  
First single 'My baby' number one 10 weeks  
I did a show with Michael, yeah, I'm comin' for the title  
I'm young, but my dad taught me all about survival

I don't feed into the negative, I sho' improve what I do  
Don't go for the masses to be true like the Bible

I've been here long y'all, I'm part of the cycle  
That started so until its big it's washing numbers I do

I'm tryin' to be the next Jay-Z, Nelly and Ja Rule  
Put it down like my pops, that's just the way that I move  
It's gotta be another way, live to see another day  
Every night I go to bed, I kneel down to the Lord and  
say

We can make it right for us  
(Just remember if you make it right today)  
We can make it right for us  
Stead of treated, we get tricked  
(It'll even be better tomorrow)  
Stead of kisses, we get kicked  
(Throw your hands up, put your hands up, raise your  
hands up)

We can make it right for us  
(Throw your hands up, put your hands up)  
We can make it right for us  
(Raise your hands up, yeah, okay)  
Stead of treated, we get tricked  
(Okay okay)  
Stead of kisses, we get kicked  
(Don't stop, won't stop, can't stop)

We can make it right for us  
We can make it right for us  
Stead of treated, we get tricked  
Stead of kisses, we get kicked
