[intro]

Listen here baby ..... , U look so good ... u feel so good.....and I luv u  
But all I got 2 say is ..... I like those thangz

[chorus]

I stare at ya eyes , wen I look at you  
Chillin wit each other wen the sky is blue  
But the love we have is so so true  
I just want u to know that I really love  
Wen u do those thangz to me  
Wen u do those thangz to me (oh yeahhhhh)  
I like the way u do it babyyyyy  
Wen u do those thangz to me

[Lil Romeo]

Relax ya mind , and take ya time  
I'm da 1 for u , yes ya mine  
I love u baby girl , U juliet , meet Romeo  
Stay right infront of me , I got love to show  
All I'm tryna do is let u know  
A real nigga , can't let a real chick go  
I wanna take this love real nice and slow  
U , my crib , me , and doe  
We can go from the bed 2 the flo'  
So let's go!!!!  
Lookin real nice  
Maybe u can be my wife  
If that is right  
U can stay the night  
I'm wit u baby , there is no fright  
Same age and same height  
Make this realation ship just quiet iight  
Rappin is what I gotta do  
But deep down inside I'm thinkin bout you  
Girl this is true , diamonds and perls is all to you  
Yeah babygirl , your love I'll never bet  
Hot and sexy , ur beautiful eyes , make the sunset

[chorus]

[Maceo]

I need a real bitch , to ride wit  
Just a girl to ride outside wit  
We can cruise to the beach at night , and do some  
thangz  
It starts wit a B and ends wit ANG  
Yup in my white tee , u fly shawty  
It don't matter for Christmas u can be nice or naughty  
We ballin together 4 ever  
We shine the skys , even in bad weather  
My tounge tickle ya neck like a feather  
It would take 100 years for our love to get measured  
Hiphoppin , but our love ain't a rap  
Our love can't stop , nowhere like that  
Baby just lay on your back  
Freaky ,, can be a way to act  
Gettin ass all day , make ya mad  
We can do things together , I dont wanna make u sad  
Girl u glad , cause u wit a nigga like me  
I know u like a nigga like me

[chorus]

[Yung Girl]

Yeah , I'm the type of girl , rock my world  
When our sexy love combine , thats a nice swirl  
Yung Girl , be da name  
Chain say G , red diamonds in the chain  
Ohhhhhhhhhhh , let me do it right  
And trust me baby , I wanna spend the night  
Everyday , and every way , u wanna go  
Holla at me nigga , just let me know
