[Chorus: repeat 3X *sung*]

When I get grown, I'm gonna cherish that big house on
the hill

But for now I'd like to chill here and keep it real

[Verse One: Lil' Romeo]

In ten years I cant believe man I'll be 20

Bought a couple cars livin large tryna put it in the
picture

Cause my moms has been in it for years
and people sayin thats Little P handlin his business

I remember hangin on the block wit the boys

Goin to the dollar movies, me and V-played dodge the
ball

We had fun even though times was hard

I mean me and Lance played Dreamcast

I cant believe my lil whodi lost his life in a car crash

One day you here then you gone ya heard me?

[Chorus sung:3x]

When I Get Grown

I'm gonna cherish that

big house on the hill

But for now I'd like to chill

here and keep it real

[Verse Two: Lil' Romeo]

Never say god cant you gotta have a plan

I thank moms and pops for raisin me man

I seen kids get shot and some go to jail

When you die lil whodi is it Heaven or Hell?

I wanna be like Mike I mean ball and make money

Keep it real wit my peeps and never act funny

I seen kids on drugs go to school and commit crimes

We use to fight each other but now its tec's and knives

Stay in school get a job education it goes far

Man, it's gotta be more to life than just jewlery and cars

[Chorus: repeat 9X *sung*]

When I get grown, I'm gonna cherish that big house on
the hill

But for now I'd like to chill here and keep it real
