King of my class, dad thanks for teachin' us,
Doin' intros on truth albums, remember that,

Infact, did it once or twice, I've learned a few things,
Get your paper before you get your ice and dimond

Don't think twice, go wit your gut feeling, and best
see yourself for the big time feeling,
In all games comin' time be patient and aint no

Life's hard on the payment, my choice, I aint in no
