U make me feel so good
I cant get
no I cant get
no I cant get u outta my mind
No senor
I cant get
no I cant get
no I cant get u outta my mind
U make me feel so good
No senor
U make me feel so good

Now when I wake up in the morning
You know you make my temperature rise
Your like a summer breeze
You got me beggin please
Cant you see it when you look in my eyes
So you think you can handle my body
But do you think you can handle my mind
I'm thinking you & me, a pure fantasy
I can give u baby more than a sign

Anything you want
Now baby anything you need
Show no shame just call my name cuz I got wat u need
Anyplace you want me baby
Take me anytime
You and me pure ecstasy
Can't get you off my mind
I cant get
no I cant get
no I cant get u outta my mind
No senor
I cant get no I cant get no I cant get u outta my mind
U make me feel so good

Now when I wake up in the morning
You know exactly what I got on your mind
Touch me anywhere
Because you know I don't care
so c'mon baby work me all through the night

So you say that you can freak my body
I know you think that you control my mind
But baby soon you'll see that you are owned by me
My decision was for you to be mine

Anything you want
Now baby anything you need
Show no shame just call my name cuz I got wat u need
Anyplace you want me baby
Take me anytime
You and me pure ecstasy
Can't get you off my mind
I cant get
no I cant get
no I cant get u outta my mind
No senior
I cant get no I cant get no I cant get u outta my mind
U make me feel so good

No senior (repeat till fade)
U make me feel so good good good good good
(repeat good)
No senior (repeat good)
U make me feel so good

Anything you want
Now baby anything you need
Show no shame just call my name cuz I got wat u need
Anyplace you want me baby
Take me anytime
You and me pure ecstasy
Can't get you off my mind
I cant get
no I cant get
no I cant get u outta my mind
No senior
I cant get
no I cant get
no I cant get u outta my mind
U make me feel so good

No senior (repeat till fade)
U make me feel so good (repeat good)
