#### [Verse 1]

I'm tired of hoes hatin' cause I'm off in the club cuz  
they niggaz keep hollerin and showin me love  
don't get mad at me girl it ain't my fault  
that this fit that I'm fittin see ya boyfriend bought  
I paid the cost, but now I'm the boss  
and you picked the fight but you see dat you lost  
outside of the spot girl lookin cause mess  
gettin mad by the second cause I'm lookin the best  
I see ya homie and she lookin depressed cuz  
my niggaz pourin liquor all over her dress oops!  
now she mad girl what you gon do  
by the sound and the whispers of her weak ass crew  
but ya played into it and you  
got stomped out maybe next time you won't open ya  
got damn mouth  
with a timberland logo branded in ya forehead  
glass stickin out the side and the color is red

#### [Chorus]

(I'll hit that bitch with bottle)  
I don't fight I don't argue I'll just hit that bitch with a bottle  
(I'll hit that bitch with a bottle)  
Call my click don't bother I'll just hit that bitch with a  
bottle  
(I'll hit that bitch with a bottle)  
Got problems I'll solve 'em I'll just hit that bitch with a  
bottle
