You know you want it

Girl don't act like you don't want it

Girl I want it just as bad as you do

And look see I can tell from this lil vibe

You got me feeling that you diggin

Boo I'm diggin you too

You want to be one of the chosen few

Then gon jet up in this motherfucker

Mabye me and you can do it big in this motherfucker Sit

you in the crib where you can chill

Don't have to move a muscle Give you somethin good

Now you be good daddy gon hustle

Come here let me whisper in your ear

I got to tell you somethin Listening to this song Kinda

make a nigga want somethin

Spent all day dreaming got me feening

Like im on somethin

Girl don't hold it from me Cause right now I'd been

done sprung on it

I aint the type to ruin your life

By running games and killin your dreans

Get in your brain teach game,

Ease your pain and show you things

Sit you on some leather seats

While blowing green and switching lanes

Girl stop playing

Let me be that out the frame
