(Lil' Wyte verse)

Commin out like hold up aw shit there go them fours

to let you know that it's hot as coal
all 'round the globe
tippy toes what I'm flickin on
passin by these hoes like (skerrrrrr)
fuck that say goodbye to the bad guys
I smoke weed till I die
I'm gon' stay high
come touch this engine pimpin
I been crusin the buck
got to get away from this cops they find the crops i'm
out of luck
the same story
every day only if guts and glory
It's part of yo struggle if it you aint got shit for me
I gon hold it down, keep my crown and keep on a
truckin
civilize this industry fuck up yo truck and keep on
bumpin
this is some shit that you did think that you would ever
see
but since we here turn to the back of the pack and let

you think we'll give up purple suryp and pimp cups
no muthafucka this the life we like n da buzz

(chorus 2x's)

(DJ pual verse)

yeah now they got me in this cell
'cause this crack man I sell
in the haven boy this crack sell well
I was in the zone 8:30 in the morn'

the poes hit the corn
I got gone n had a tone
with a big bag of crack
them boys don't like that
so I had to get down like a 'lack
with 4 flats
I'm a grayhound
I just put the tre down
I can't be on my way down
so I'm gon have to put down
ditch the rocks I had them in a matchbox
ditch the glock
and stick the bushes down the block
and just like the spinners man I will never stop
like bukus and money we don made at the spot
I make the hood hot along with the faculty and gang
green
P.A.Z every thang we gain is green
to the bay - where my boy lil wyte stay
is where I damned and ran but they caught me anyway
Fuck!

(chorus 2x's)
