[Chorus - Juicy J:]

Im getting fucked up mane im getting fucked up [4x]
A playa drinkin makas maka cranberry vodka

[Lil Wyte]

Give me a cup some ice some vodka let's go
Give me some dro let me put down the crown n coke
Im slummed out drunk as fuck and i know
You won't make it home if you ride with me bro
Cause ive been drinking since 2 started smokin round
noon
With no sleep im feeling similar to a cartoon
Animated but gonna manage to make it through the
day
Bein a rapper's close to bein an alcoholic that gets paid
I done seen a higher ground now that im on a different
plane
If you step to me wrong im a have to show you im da
mane
Im lil wyte da mothafucking drunken cracker sippin da
blue top
As long as im here ill whip it so long as you never let da
blues stop
[Chorus]

[Lil Wyte]

Well im fucked up! by now you should see
Maker moka n some vodka floating all through me
On tha way 2 da liquor store to get another bottle
runnin red lights never takin ma foot up off da throttle
Im a lil tispny, cock eyed, the whole 9, 40 proof or better
And i really dont fuck with wine im a whisky sippa
Sour mash is not for some i got mothafuckas
That get drunk n fight 4 fun get up out ma way
You see ma brain is on a different level
Bring some tequila out and you gonna see me
Turn into da devil im the one and only lil wyte
I do it ma way bitch, ain't down with gettin fucked up
With me? then hit da high way bitch n dat's wussup
cuz you a punkass lil bitch and thats the truth

[Chorus]
