We be on, we be on, we be, we be on some other shit

[Verse 1]

This for them haters gone disrespectful when I see ya
I'm hoppin' out of a black two seata wit a heata and her
nicknames Quetta

I got her in the hood yeah I talk a lot of shit but she
back me up good

For one second don't forget trick I run this Memphis
Tennessee we be on some Top Gun shit

Fly over your house M-16 and drop a bomb on it

We don't give a fuck we tryin to take out all your shit

And we some Titans Grizzlies and Tigers that Volunteer
To kill ya clean ya in a river throw you on a barbeque
grill

So who da fuck you think your fuckin wit we be on some
other shit

The stunna out the gutta started the south but watch
the fuckin shit

[Chorus 4x]

[Verse 2]

I be on some dro and shit you be on some blow and shit
I'm rockin' shows around the globe and your still on
some local shit

I can say sumimason kunichiwa can I get some yen?

That's Japanese for 'Excuse me hello can I get some

money man?'
Can you do that? I don't think so, so go back to where
you from hoe
I get dollars, Euros, Pecos and they come in by the
truck load
I make CP you can't see me on these beats or in these
streets
Cuz I toke heat and beef is beef and you will leak from
head to feet
It's obvious that I'm harder than a majority of your
favorite rappers
An underground phenomenal sensation and your
papers what I'm after
So drop it off, drop it off bitch I got it sawed-off
I run wit a click so quick before you even try to think
your ass gets hauled off

[Chorus 4x]
