[Chorus 2x]

My supply and demand [4x]

I move dope from my hand to yo hand [2x]

[Verse 1]

Call me the pusherman, the pusher pusherman

I move work from my land to your mutherfuckin hand

And its good great never runnin' late

Always in the hood dump truck full of weight I'm
straight (I'm straight)

I keep a shit load of dough if I don't got none then
there is no hope (No hope)

Not a one zero zip zero nada

I got on designer clothes from this dope I'm wearin'
product

So I gotta go and get some more to keep the city skinny

Everybody in the south is all about a pretty penny

We be winnin from the beginning while the others
runnin slow

Keep the money comin' in I fire up and pass the dro

[Chorus 2x]

[Verse 2]

My supplies in demand so I weigh up 1000 grams (1000
grams)

I did that just to show you who I am (who I am)

I'm the pusherman movin' shit from hand to hand

If you want a truckload you gon' need a hundred grand

There are two kinds of dealers they don't work the
same shift

One needs a bag the other needs a fuckin forklift

Warehouses full of drugs, trap houses full of thugs

Other houses full of guns, razor blades under the rug

Keepin' up with Sunday Times I deliver weekly

Got the best shit on the town and it ain't never cheap
see

So you want my product better put all your money
together

I supply it rain or shine this is bigger than the weather

[Chorus 2x]
