[DJ Paul sample]

bustin with that 45 make them bitches back it up, back
it up [repeat 4X]

[Verse 1]

I'm 5 foot 8, from the Bay, white as fuck and do not
play

If you want me, come and get me, Fraiser Drive is
where I stay

Won't you come on down my way, I hope that you ain't
afraid

You won't even need the numbers 'cause we posted
every day

On the corner or in my front yard where we smoke
marijuana

Sit back, wait on the police to ride by and stare so we
can dog'em

Know wha I'm sayin, they can't fade us, so what the
fuck you think you gon do?

We HCP, clicked up with the rest of the world and yes
we deep foo

You don't wanna end up an example of what we would
to to haters mayne

Victimz have said that we bring the pain and witnesses
that we all the same

I don't wanna stress on otha shit that y'all been
constantly questionin

Shit that I'm preachin come from people teachin

The shit that I remember so deep within

And when I get to where I'm gonna be in my successful
life

I'ma look down at y'all haters in disgrace 'cause I done
took my flight

And when I get ready shine in that stage of my life

I'ma make sure all y'all haters remember me and I'm
gon allrigh

[Chorus]

So many haters in this world they wanna see us fall

We have no love for none of you bustaz, I said none of
y'all

I know you see me everyday, I'm posted on the wall

I'm gonna continue to mash and always standin ten
toes tall
So many haters in this world they wanna see us fall
We have no love for none of you bustaz, I said none of
y'all
I know you see me everyday, I'm posted on the wall
We gonna continue to mash and always standin ten
toes tall
BITCH!

[Verse 2]

Keep'em breathin, leave'em bleedin, boy this is not
haters season
This the reason for them beefin, all the rest is just
some treason
I got nina's, I got rifles, I got fully auto's too

You get one I will get five and everyone will come for
you
This the truth, I got problems in my life and that's a fact
But that don't give you one right to jump in my shit and
holla back
With a different brain, simple thangs, keep me on a
different plane
Bizness mayne, with pleasure to settle by an open
flame
Plenty change will be excepted, but plus I want the
fame
Know my name and disrespect it but it will stay the
same
Down the drain, knowin for me I have to be workin
thangz
Love the game, wanna retire but when I'm 80 mayne
Mary Jane all in my system but yet I still maintain
I'm insane, so hard to hide it but still I can't complain
I got killaz takin good care of ya, leavin plenty stainz
With the shovel I'm gonna bary yo mangled up remainz

[Chorus]

[Verse 3]

Talk about these hatin lil boys, carryin they toys but
they small dawg
Put yo 22 under my 5-0 cal and I'ma get rawed dawg
Ain't no need to stall dawg, I'ma blow up on all y'all
Racin across the nation to yo crib, I ??
Now we about to stop, now the road about 2 blockz
Reachin yo house wit two glockz, got in yo house wit 2
knockz
Came to the door in Reebok's, joggin pants wit no
sockz

Run up them steps actin like you won't get caught but
break them door lockz
Situations gettin mixed, ? yo boy got in some shit
Crossed the wrong one, he found out he didn't know
who he was fuckin wit
Wyte, backed up by Triple Six
In the next year don't fuck wit this
Fraiser, bound, and youngsta, *Hyptonized* is how I'll
leave ya bitch
Blastin back wit competition, stainin on y'all fuckin hoez
Leavin incision pushin some pimpin righ up out the do'
Hate me now, hate me later, it's all good I gots to go
So many haters up in my world, couldn't count'em on
my handz and toez

[Chorus]
