Mother fuckas my name's lil Wyte  
Make it out the frame super tight  
They got something to say I just might  
Have to express myself freely damn right  
Becuase Ive been makin this music  
And been getting this cheese  
All the record companies still dought me  
But one of these days they gonna see  
That he's standing on top looking down  
I don't need you hand outs right now  
I'm at the top of my game with connections to shut you  
out  
And I always hypnotize minds  
And also fuck with tha theropy  
Hey Sizzle wyte boy, and be chillin with my homie big E  
And I forget about Gang green  
Would a weedless gang disagree  
This is my year 2007 and im gonna dominate the scen  
I got some good shit up my sleeve  
And I got that good kush In my lungs  
Got that brown Liquor in my stomach and acid drops on  
my Toung, Yeea....
