"All For Love"

If you could show me something
that would help me change my mind,
I could go on believing
There's some feeling left inside,
And we could maybe leave it all to love?

Are no easy choices for us to contemplate?
We could go on pretending
But then the love would turn to hate.
And would we maybe lose it all for love?

uh for love

Eyo-woohaeEEEEEEEEEE€!

If I could taste your breath on me
I'd lose myself in time,
We could go on pretending,
Or simply close our minds,
Then you could say I lost it all for love.

If I had to sacrifice, would it change your mind?
We could go on believing in this fear left inside.
Then would you say "lose it all for love"?
Then would you say "lose it all for love"?

Eyo-woohaeEEEEEEEEEE€! (bis)

uh for love, all for love
