You never take the easy way  
The wind is blowing straight into your face  
You never close your eyes  
For any trouble that may cross your way

There's no risk that you're not taking  
Not a mountain that's too high  
Spread your wings, you're gonna make it  
To the best time of your life

Don't stop at the top  
(Don't stop at the top)  
Touch the sky before you drop  
(Touch the sky)

Don't stop at the top  
(Don't stop at the top)  
Touch the sky before you drop  
(Touch the sky)

You never make a compromise  
Your will has got the power that won't break  
You never say a never  
To a challenge that will come along the way

There's no risk you're not taking  
Not a mountain that's too high  
Spread your wings, you're gonna make it  
To the best time of your life

Don't stop at the top  
(Don't stop at the top)  
Touch the sky before you drop  
(Touch the sky)

Don't stop at the top  
(Don't stop at the top)  
Touch the sky before you drop  
(Touch the sky)  
Never stop, never stop  
Don't stop at the top

Never stop, never stop, never stop  
Don't stop at the top

Don't stop at the top  
(Don't stop at the top)  
Touch the sky before you drop  
(Touch the sky)

Don't stop
