Yeah, yeah, oh-yeah  
What condition my condition was in

I woke up this mornin' with the sundown shinin' in  
I found my mind in a brown paper bag within  
I tripped on a cloud and fell eight miles high  
I tore my mind on a jagged sky  
I just dropped in to see what condition my condition  
was in

Yeah, yeah, oh-yeah  
What condition my condition was in

I pushed my soul in a deep dark hole and then I  
followed it in  
I watched myself crawlin' out as I was crawlin' in  
I got up so tight I couldn't unwind  
I saw so much I broke my mind  
I just dropped in to see what condition my condition  
was in

Yeah, yeah, oh-yeah  
What condition my condition was in

Someone painted, 'April Fool' in big black letters on a  
'Dead End' sign  
I had my foot on the gas as I left the road and blew out  
my mind  
Eight miles outta Memphis and I got no spare  
Eight miles straight up downtown somewhere  
I just dropped in to see what condition my condition  
was in

I said I just dropped in to see  
What condition my condition was in  
Yeah, yeah, oh-yeah
