Aaa aoh

I can't waste away  
I'm slowly losin' my way forever  
I better raise your slave for me anymore  
Daylight's sin inside  
Days growing closer, wait for pain  
I cannot wait another night to be alone

Uh, the voices are calling me  
Be my knight  
This devil sigh  
Yeao, shadows are tainting me  
Yeao, I know that only you can render pain

Peace of mind  
You run away from me  
So make me lose my  
Mask of sanity

I can't waste away  
I'm slowly getting my way alone  
Better is what I used to feel alone  
Shattered lights, sin in taint  
Days growing longer, wait for pain  
I cannot wait another night to be with you

Yea

Peace of mind  
You run away from me  
So make me lose my  
Mask of sanity

Peace of mind  
You run away from me  
So make me lose my  
Mask of sanity
