Yeeeaow!

Since day one I've been crass and far beyond
I couldn't laugh, I couldn't cry.
Before you judge me Take a look at yourself.
Condescendin', out livin' in a lie

Despite all the pain in my heart grinding through
It ain't due that you hate what I hate what you do!
AHHHH!

Despite all the piety you've been consuming thus far
A backstabbing motherfucker to the bone is what you
are!

And everyday when the knife in my back starts to
twinge 'n' turn
My eyes are catching fire and my heart starts to burn
A foot away from you is like a bit closer to heaven
Then again it's like being needled 24/7

You look down to me to see the scum of the earth to be.
Fuck yeah
That's me, vile and obscene. I ain't happy about it but at
least
I don't judge and decree, to be better than another
human being

And everyday when the knife in my back starts to
twinge 'n' turn
My eyes are catching fire and my heart starts to burn
A foot away from you is like a bit closer to heaven
Then again it's like being needled 24/7

Despite all the piety you've been consuming thus far,
Hey, would somebody tell me WHAT THE FUCK IS
GOING ON???

And everyday when the knife in my back starts to
twinge 'n' turn
My eyes are catching fire and my heart starts to burn
A foot away from you is like a bit closer to heaven

Then again it's like being needled 24/7

YAW YAW YAW!!

(Death? what you all know about death)
