Well let me tell you why
What did you tell your [soul??]
Another day goes by
Tell me why does
So this is why
We're falling down

So let's just fight
Wait for the dawn
(suck eh)

...
We've wasted all this time

I am the chosen next in line
Sent to slaughter your mankind
Rip the souls, born to die
No reason for you to fight

jau!!

What is this for?
I can't ask anymore
(Fuck eh)
We're bringing my [...??] scythe
And what we hate we will destroy

I am the chosen next in line
Send to slaughter your mankind
Rip the souls, born to die
No reason for you to try

Solo

I am the chosen next in line
Send to slaughter your mankind
Rip the souls, born to die
No reason for you to try
