I feel the last cry in this time
Last am I, will it never end?
But never am I stained black
Now the end is drawing near
My hate is growing, can't you hear?
It burns me with my cruelty

Like the fire of pain in the daylight
Full of hate, your hatred inside you

Hate! I can't control it anymore
You'll see the red light more and more
Trapping you and destroying this spite
By the red light in my eyes

So better wake and drink your blood
Follow me and be a god
Can't you fuckin' look into my eyes?
Watch this god arise, yeah

I hear the last cry in this time
Last am I, will it never end?
But never am I stained black (jet-black!)
Now walk away and flee into Hell
Take away and bleed my heart
Undo my blood-red sigh
-- Solo -- Ale

I can feel your hate of death
I'm running along this darkened little path
Take your time, beat me down
Some time to die

Hate! I can't stall it anymore
See the red light more and more
Trapping you and destroying this spite
By the red light in my eyes

- Fuck!

Does it matter what is on the top?

Way too down below, that's how this werewolf burns in
me
O God, I see the light again
I'm gonna be getting someone in my brain

Hate! I can't control it anymore
See the red light more and more
Trapping you and destroying this spite
By the red light in my eyes
