Yeah

I gotta say sometimes I just can't
Deem all the things that I've done
Haunted to break the silence
Out-crying the truth that I want gone and I'll run

Back to the place where I was told
Drunken ignorance is pure, true gold
Feeling safe to rage, started acting mad
No regret, I'm content to be bad, yeah

Relentless, no, there's no way I'm giving up
I dare you to make me stop
Reckless, shattered dreams and broken ribs
Annihilated into bits, forever I'll stay on the run

Now you like to cling to my back like a monkey
Not even a chance you'd let me go
Fuck you [Incomprehensible]
But I know you reap what you sow
And it all just goes to show

Back to the place where I was told
Drunken ignorance is pure, true gold
Feeling safe to rage, started acting mad
No regret, I'm content to be bad

Relentless, no, there's no way I'm giving up
I dare you to make me stop
Reckless, shattered dreams and broken ribs
Annihilated into bits, forever I'll stay on the run
