I never knew girls existed like you
But now that I do I'd really like to get to know you

The girl's too young, she don't need any better
It's all coming back I can feel it
The girl's too young, she don't know any better
It's all coming back I can feel it

She is beautiful, she is beautiful
She is beautiful, she is beautiful
The girl is beautiful

You're giving me rules and hints from all sides
And when you hit my back you rub my eyes

The girl's too young, she don't need any better
It's all coming back I can feel it
The girl's too young, she don't know any better
It's all coming back I can feel it

And though I never know you I look at your face
To tell you that I love you don't know what to say
Give everything I got to the beautiful girl
The only thing I live for in the whole wide world

She is beautiful, she is beautiful
She is beautiful, she is beautiful
The girl is beautiful

I ain't got nothing to lose
Going to throw it away and talk to you
She looks good and it's true
The girl is beautiful, she is beautiful

I ain't got nothing to lose
When I'm living one time and I want you
She looks good and it's true
The girl is beautiful, she is beautiful

She is beautiful, she is beautiful
Na, na, na, na, na, na, na, na
She is beautiful, she is beautiful

Na, na, na, na, na, na, na, na

She is beautiful, she is beautiful
Na, na, na, na, na, na, na, na
She is beautiful, she is beautiful

I ain't got nothing to lose
Going to throw it away and talk to you
She looks good and it's true
The girl is beautiful, she is beautiful

I ain't got nothing to lose
And I'll never forget when I saw you
She looks good and it's true
The girl is beautiful, she is beautiful
