[Andrew W.K. cover]

I never knew girls existed like you  
But now that I do  
I'd really like to get to know you

The girl's too young  
She don't need any better  
It's all coming back  
I can feel it  
The girl's too young  
She don't know any better  
It's all coming back  
I can feel it

[Chorus:]  
She is beautiful  
She is beautiful  
She is beautiful  
She is beautiful  
The girl is beautiful

You're giving me rules and hints from all sides  
And when you hit my back, you rub my eyes

The girl's too young  
She don't need any better  
It's all coming back  
I can feel it  
The girl's too young  
She don't know any better  
It's all coming back  
I can feel it

And though I never know you  
I look at your face.  
To tell you that I love you  
Don't know what to say  
Give everything I got to the beautiful girl  
The only thing I live for in the whole wide world

[Chorus:]

She is beautiful  
She is beautiful  
She is beautiful  
She is beautiful  
The girl is beautiful

I ain't got nothing to lose (Nothing to lose)  
Going to throw it away  
And talk to you  
She looks good  
She looks good  
And it's true  
And it's true  
The girl is beautiful  
She is beautiful

I ain't got nothing to lose (Nothing to lose)  
When I'm living one time  
And I want you  
She looks good  
She looks good  
And it's true  
And it's true  
The girl is beautiful  
She is beautiful

She is beautiful  
She is beautiful  
Na na na na na na na na  
She is beautiful  
She is beautiful  
Na na na na na na na na  
The girl is beautiful  
She is beautiful  
She is beautiful  
Na na na na na na na na  
She is beautiful  
She is beautiful  
Na na na na na na na na

I ain't got nothing to lose (Nothing to lose)  
Going to throw it away  
And talk to you  
She looks good  
She looks good  
And it's true  
And it's true  
The girl is beautiful  
She is beautiful

I ain't got nothing to lose (Nothing to lose)

And I'll never forget  
When I saw you  
She looks good  
She looks good  
And it's true  
And it's true  
The girl is beautiful  
She is beautiful
