Somebody  
Somebody Put Something In My Drink  
Somebody

Another night out on the street  
Stopping for my usual seat  
Oh, bartender, please

Vodka and tonic's my favorite drink  
I don't like anything colored pink  
That just stinks...it's not for me

It feels like...  
Somebody put something  
Somebody put something in my drink  
Somebody put something  
Somebody put something...

Blurred vision and dirty thoughts  
Feel out of place, very distraught  
Feel something coming on

Yeah, kick the jukebox, slam the floor  
Drink, drink, drink, drink some more  
I can't think  
Hey! What's in this drink?

Somebody put something  
Somebody put something in my drink  
Somebody put something  
Somebody put something in my drink  
Somebody put something  
Somebody put something in my drink  
Somebody put something  
Somebody put something in my drink  
Somebody put something...in my drink...in my drink...in  
my drink...in my  
Drink

So you think it's funny  
A college prank  
Goin' insane for something to drink

Feel a little dry

Oh, I couldn't care what you think of me  
'Cause somebody put something in my drink  
I can't think  
Hey dude! Give me a drink

It feels like...  
Somebody put something  
Somebody put something in my drink  
Somebody put something  
Somebody put something in my drink  
Somebody put something  
Somebody put something in my drink  
Somebody put something  
Somebody put something in my drink

...something in my drink
