(Trey Bruce/Rebecca L. Howard)

We didn't know what hit us
We had to stop and catch a breath
Like a brick wall in a train tunnel
Scared us half to death
You'd have thought we could've seen it coming
The way the two of us were runnin'
I guess that's the way it is
If you've never been

Hit by love
Struck by lightning
Bound forever, there's no denying that
All we want is everything that makes love like this come true
Oh, emotionally on our knees
It took a moment to believe
But there we were, the two of us
Hit by love

Looking back is easy
If you've got memories like ours
We crashed like two headlights
And we're still seeing stars
And I don't have to stop and wonder
Where we'll find that rollin' thunder
Cause my heart knows you and me
Are always gonna be

Hit by love
Struck by lightning
Bound forever, there's no denying that
All we want is everything that makes love like this come true
Oh, emotionally on our knees
It took a moment to believe
But there we were, the two of us
Hit by love

Hit by love
Struck by lightning

Bound forever, there's no denying that
All we want is everything that makes love like this come
true
Oh, emotionally on our knees
It took a moment to believe
But there we were, the two of us
Hit by love

There we were, the two of us
Hit by love
Hit by love
