Where did you learn how to talk to a woman
Look what you're doing to me
Why in the world are you so good lookin'
As far as I can see
I know I'm never gonna be the same
Can't seem to get you outta my brain

I reckon I will
Let you be my everything
I reckon I will, yeah
Let you fall in love with me, oh yeah
I reckon...i reckon...i reckon...
Oh I reckon I will

Whatever it is I can't live without it
You got a hold on me
I wanna tell the world, I wanna scream and shout it
You came and set me free
I can't believe I finally found what's missing
You're the only one that can help this condition

I reckon I will
Let you be my everything

I reckon I will, yeah
Let you fall in love with me, oh yeah
I reckon...i reckon...i reckon...

I reckon it'll be all or nothing
I reckon you and me really got something
I reckon if it's good, it'll only get better
So maybe I'll let you love me forever, oh yeah

I reckon I will
Let you be my everything
I reckon I will, yeah
Let you fall in love with me, oh yeah

I reckon I will
Let you be my everything

I reckon I will, yeah
Let you fall in love with me, oh yeah
I reckon...i reckon...i reckon...
Oh I reckon I will
Oh yes, I reckon I will
I reckon
