Come Lend A Hand by: Lili Dauphin

Like a bird in the sky
We will find our way
The flight may be long
We will always be strong
Till our hearts can be free
We will trust destiny
Eventually
Weâ€™ll touch every soul
Till our story is told
And the whole world will sing

Come lend a hand
Make a dream come true
Letâ€™s stand together
Till we make it through

We will strive forward
With love in our hearts
Till our voices are heard
We will sing out the words
Let our dreams come true
Over mountains high
Rivers so wide
Weâ€™ll use all our might
To change wrong to right
Till our hearts are free
Come lend a hand
Make a dream come true
Letâ€™s stand together
Till we make it through

Come lend a hand
Make a dream come true
Letâ€™s stand together
Till we make it through

We will strive forward
With love in our hearts
Weâ€™ll use all our might
To change wrong to right

Till the whole world is free

Come lend a hand
Make a dream come true
Let's stand together
Till we make it through

Come lend a hand
Make a dream come true
Let's stand together
Till we make it through

Come lend a hand
Make a dream come true
Let's stand together
Till we make it through
