I know someday
I'll surely find my way
All my troubles will finally go away
I know someday
I'll surely find my way
All my troubles will finally go away

Verse 1

Sometimes we are so used to the pain
That it becomes natural for us
We forget that there is hope behind the mountain

What is natural is finding out who we are
Once we identify with who we were meant to be
Then happiness may not be very far

Chorus

I know someday
I'll surely find my way
All my troubles will finally go away
I know someday
I'll surely find my way
All my troubles will finally go away

Verse 2

Sometimes our inner strength will be tried
But it's only a small test
In the end, our challenges will be justified

We will know that we're truly incredible
Our courage is unparalleled and we are not our
conditions
Most importantly, everything is possible

Chorus

I know someday
I'll surely find my way
All my troubles will finally go away
I know someday
I'll surely find my way
All my troubles will finally go away

I know someday
Iâ€™ll surely find my way
All my troubles will finally go away
I know someday
Iâ€™ll surely find my way
All my troubles will finally go away

I know someday
Iâ€™ll surely find my way
All my troubles will finally go away
I know someday
Iâ€™ll surely find my way
All my troubles will finally go away
