What if I could fly? ?
I could spread my wings wide ?
Just like the birds in the sky ?
And freedom will be mine ?

I could sit on a cloud ?
Oh! What a beautiful sight ?
Watching the wind blow ?
Into the night ??

Leaving behind my fears ?
Set my Tiville aside ?
I shall shed no tears ?
As I fly away with pride ?
?
As I cross the mighty sea ?
In all of its majesty ?

Watching waves of pleasant glee
I shall find serenity ??

I could fly from land to land ?
Touching every soul ?
As I reach for everyone's hand
?And let happiness roll ??

My spirit will shine ?
As high as it can be ?
In a moment so divine ?
Love shall beset upon me ?
?
As I fly high above ?
I will touch the celestial light ?
Heaven is mine to hold
?Because I can fly ?
And so can you ?
