Since you've been gone
My tears have not stopped falling
Your memories are so vivid
In my heart
I miss you

Even now
I can feel you here
Even now
Like an answered prayer
I believe
And I want you here with me
Desperately
For eternity

You are my hero
You are my hero
My guiding star
That shines above

You are my hero
You are my hero
You are my strength
My hope my love
You are my hero

Even though
I can't touch your face
Even though
I can't see your smile
Even though
You're no longer here with me
In my heart
You will always be my hero

You are my hero
You are my hero
My guiding star
That shines above

You are my hero
You are my hero

You are my strength
My hope, my love

I want to remember our love
I don't want to cry
All the memories that we shared
Help me to survive
Now that you are gone

You are my hero
You are my hero
My guiding star
That shines above

You are my hero
You are my hero
You are my strength
My hope, my love
You are my hero
