All I ever wanted  
Was to be worthy of your love  
Who could ask for such a gift?  
Such a tender touch  
But when the morning comes & I wake up alone  
It's hard to bridge the gap between the dream and  
letting go

So I light a candle for your journey  
A second for my own  
A third is burning in my heart  
You'll always know where  
Home is where the heart is  
Be mine forever  
Home is where the heart is  
Be mine forever

My cup is overflowing  
My breast is swollen with your song  
Nothing else is quite as real  
As how desperately I long  
And when the world is clear and laughter's in the air  
You're the only one I want to call, but you're not there

{Chorus repeats }
