Toni Childs, David Ricketts  
can't stop, stop the hurting  
can't stop, stop the breathing  
can't stop, stop these tears for you my dear  
don't know why it's so bad  
this life's been so bad  
I'm glad I finally found you here  
you're the voice of a dream I had  
you're the voice and I'm so glad  
you're the weight of a dream of a life come true  
there's no denying  
I sometimes run and chase the moon  
I just can  
I sometimes run and chase the views  
and dream of you  
my heart locked in absence  
my heart locked and fearful  
I see no-one can be here today  
my thoughts locked in thinking  
my thoughts not believing  
I see no-one can be here with me  
you're the light of a dream I had  
you're the voice and I'm so glad  
you're the weight of a dream of a life come true  
there's no denying  
I sometimes run and chase the moon  
and think of you  
I sometimes run and chase the views  
and not of you  
I sometimes run and chase the moon  
but I'm just dreaming  
I sometimes run and chase the views  
but I'm still dreaming  
dreaming  
I'm dreaming  
I'm dreaming of you, dear
