An eye for an eye, a heart for a heart

That's the way that we play

Up in the clouds, where angels fly

You take my breath away.

Bridge 1:

Your love is my heaven

Now I'm going that way, hey, hey

And when I get there

You know I'm gonna stay, stay, stay

Chorus:

You're the Dream of a Lifetime

Whoa, Yeah

You're the Dream of a Lifetime

Yes, you are

Caught up in the roles that we play

It's a foolish game

There's nothing we can't do or be

If we want it the same

Bridge 2:

I've had all my chances

To lock you away, hey, hey

Now when I find ya,

You know I'm gonna stay, stay, stay

Chorus

You know I'm dreaming of you

Solo

Bridge 2

Chorus

(Repeat)
