There's a pressure mounting in my head
There's a 3 headed...under my bed
There's a banshee screaming in my throat
I'm a ... for aggravation
What a feeling, caged in

Catch a killer hanging by his neck
Catch a worthless killer hanging by his neck
Catch a worthless killer hanging by his neck
I'm your super hero connection
What a feeling, raging

Jump conclusions I don't care
Not the same things I despise
You're not my answer, no, no, no
Caged in, an animal
Caged in, an animal

There's a little man living in my head
There's a little mad man living in my head
There's a little blue man living in my head
He's a product of my intentions
What a feeling, raging

Jump conclusions I don't care
Not the same things I despise
You're not my answer, no, no, no
Caged in, an animal
Caged in, an animal

Resurrection, deep infection
I can't ...the beast within
It move right through me, this ... unseen
I can't control the suffering

There's a pressure mounting in my head
There's a pressure mounting in my head
There's a volcanic pressure mounting in my head
I'm a haven for everyone's ...
What a feeling, raging

Jump conclusions I don't care
Not the same things I despise
You're not my answer, no, no, no
Caged in, an animal
Caged in, an animal.
