I watched the moon destroy the sun while blindness
tried to see
Silver rays from better days came shining down on me

Fear of time destroys your peace of mind

I felt my earth become a dream of insecurity
Close my eyes inside there lies my failing memory

Fear of time destroys your peace of mind

Free your mind in the sea of time
Free your mind from your fear of time

Dust to dust the endlessness destroys my fantasy
Take me home where I can roam for all eternity

Fear of time destroys your peace of mind

Clear your mind in the sea of time
Free your mind from your fear of time
(I'm free now, so free now to see how mindless is my)
Free your mind from your fear of time
(I walk alone, I'm coming home and all I leave you is
my)

I've got no time to live a lie or question what I see
Swallowing this evil thing that's feeding off of me

Fear of time destroys your peace of mind

Clear your mind in the sea of time
Free your mind from your fear of time
(I'm free now, so free now to see how mindless is my)
Free your mind from your fear of time
(I walk alone, I'm coming home and all I leave you is
my)

Free your mind from your fear of time
(I'm free now, so free now to see how mindless is my
fear of time)
