"Hard Luck"

The hammer falls under the neon skies

The city lights reflecting in my eyes

Roll the dice, a turn of the wheel

It's my turn to call

If it weren't for hard luck

I'd have no luck at all

Chorus:

Hard luck's got a hold on me

I bet against the odds

Hard luck's comin' down on me

It's in the fall of the cards

Hard luck

The night's my savior, she keeps me in the dark

A bad shot, it seems I've missed the mark

Like salt in my wounds

It burns me up inside

Nowhere to run to now

Nowhere to hide

Chorus

Solo

Chorus

(Repeat)
