still was kind on the day of peace  
mine was cool in this time of peace  
tempt my soul with vision of time that will never see  
taste the blood and sweat a passion in touch  
the wind and sky is something you need

Chorus:

too much anger in my speed so alive in me  
one set a fire in my mind  
set my .  
keep a little revenge into your eyes  
and .find the sun  
lava on my tongue

feel in court as a day dissappear  
holdin on I persevere  
left your hands ad reach surrender the hate you feed  
.engorge like a . is something I need

Chorus:

too much anger in my speed so alive in me  
one set a fire in my mind  
set my .  
keep a little revenge into your eyes  
and .find the sun  
lava on my tongue

life patiently beneath this wings  
he waits for em to cross the lion  
.like he saw enjoys the game  
let her at the design  
passing upon what is mine

Feel was kind on the day of peace  
mine was cool in this time of leace  
tempt my soul with fears and sometimes I will never  
see  
taste the blind and sweat a passion in touch  
the wind and sky is something

Chorus:

too much anger in my speed so alive in me  
one set a fire in my mind  
set my .  
keep a little revenge into your eyes  
and .find the sun
