Too late to meditate to change whatâ€™s so obscene
Hide away I choose to stay inside my quarantine
Iâ€™ll let you crawl inside where the clientele are few
Weâ€™ve come a long, long way just to have a drink
with you

Iâ€™ve seen it everyday as my walls are closing in
I plan the great escape with my patience wearing thin

Out of my web, Iâ€™m a little anxious being touched by
you
Just canâ€™t seem to find a view
My religion seems to break in two
Save me

Take a trip inside my mind
Absorb all I have seen
Fight the scream and find a home inside my
quarantine

I feel amazing satisfaction talking to myself
But when the clouds approach my insides donâ€™t
feel too well

Out of my mind, get a little nervous when I smell your
kind
Decaying mastermind
If they get you and are so inclined
Clean like me
Time to leave cause somethingâ€™s closing in on me
The way Iâ€™ve chosen runs to the sea
Where nothingâ€™s sacred unless you believe inside
my quarantine

Iâ€™ll let you crawl inside where the clientele are few
Weâ€™ve come a long, long way just to have a drink
with you

Out of my web, Iâ€™m a little anxious being touched by
you
Just canâ€™t seem to find a view
My religion seems to break in two

Let me be

Time to leave cause something's closing in on me
The way I've chosen runs to the sea
Where nothing's sacred unless you believe inside
my quarantine
