You're the kind of friend  
Who always bends when I'm broken  
Like remember when  
You took my heart and put it back together again

I've been wasting time  
With numerous guys but now it's over  
Let me tell you why I'm through  
I've got someone new who's just like you

[Chorus]

You're it, you're the ultimate  
It's automatic I'm sure of it  
No lie, so don't even try to tell me that  
You're not the guy  
'cause I've been waiting all my life  
For someone just like you  
But you're it, you're the ultimate you

You're the kind of guy  
Who's hand in mine  
Send shivers, up and down the spine  
You took my heart and put it back together again

You're the kind of guy  
Who blows my mind  
And now it's my turn  
You've been right in front of me  
Everything I need why didn't I see

[Chorus]

You're it, you're the ultimate  
It's automatic I'm sure of it  
No lie, so don't even try  
To tell me that you're not the guy [2x]  
[Second time --> Chorus]
