(whisper) You don't know me... You just don't know me
at all

Can you tell me what happend here
Tell me how I should feel
When my life seems to be in disarray
I fell you testing me with all your fantasies
And you try to keep down but I won't stay
Cause you don't know me

CHORUS:

I've been through all this hell before
I've seen it all and more
Think I'm gonna fade away
You don't know me
You think you have the upper hand
Well that's not my plan

Stronger now I see that you
You just don't know me at all

You tried to manipulate well now this is your fate
Cause piece by piece I'm gonna tear you down
Can't hold the secret now find out what I'm about
Did you think that I would let you have your way
Well you don't know me

CHORUS

Your soul is screaming who's cryin now(who's cryin
now)
Your heart is bleeding who's sorry now

CHORUS 2X
