Ahhh... do do do...

You better let me tell you

Ahhh... do do do...

You better let me tell you

You know some time ago

Our pathways parted

Now you may have found bliss

Yeah, but I found regret

Maybe you can smile

Maybe even laugh

Yeah, but all the while

I'm trying to forget

Tears cannot express my grief

Nor words my loneliness

For they can only tell apart

Let my heart tell you the rest

I would season every

Day of my life with you

You better let me tell you

I would show you just what

It means to be true, girl

You better let me tell you

Cause after love

Has come and gone

Baby, I'm the lonely one

Ooh, ooh...

But why should a man be lonely

(Why should a man be lonely)

(Why should a man be lonely)

When he had someone like you

How can I make you believe

That I got to have you, baby

(Got to have you, baby)

Yes, I got to have you, baby

(Got to have you, baby)
Oh, I got to have you, baby
(Got to have you, baby)

I would sweeten every hour
Of my day with you
You better let me tell you

I would give you all the things
A good lady would need
You better let me tell you

For you I'd save up all of my time
Give you every dime
For you, girl
You better let me tell you

Cause after love
Has come and gone
Baby, I'm the lonely one
Ooh, ooh...

But why should a man be lonely
(Why should a man be lonely)
(Why should a man be lonely)
When he had someone like you

How can I make you believe
That I got to have you, baby
(Got to have you, baby)
Yes, I got to have you, baby
(Got to have you, baby)
Oh, I got to have you, baby
(Got to have you, baby)

I got to travel on
Down life's highway
Searching faces
Some old, some new

Seeking someone
Whom I need the most
I know there can't be two
Yeah, I'm searching for someone
Who's the closest thing to you

Gotta go on, gotta go on
I'm so lonely, I gotta go
I'm so lonely, gotta go, yeah
Oh, I just gotta go

I said, baby
Baby, baby, baby, oh
I just, just, just, just got to go
(I've got to go, I've got to go)

I'm so lonely (hey)
I gotta go (oh)
I'm so lonely, gotta go, yeah
(Gotta go on, yeah, yeah)

Oh, I gotta go
I gotta go, I just gotta go
(Better let me tell you)
(Better let me tell you)
Gotta go on, gotta go on

I'm so lonely, I gotta go
I'm so lonely, yeah
I've just gotta go
Hey, hey, got to, got to...
