Bottoms up
Get out on the floor
Bottoms up
Go for what you know

Bottoms up
Tearing the house down
Bottoms up
Time to party down

Girl, your bottom
Sure is nice
Reminds me of
Sheer paradise

The way you shake over here
You shake over there
Everywhere I look
I see it everywhere
(That bottom)

[CHORUS]
Bottoms up
(Move that bottom)
Get out on the floor
Bottoms up
(Move that bottom)
Go for what you know
Bottoms up
(Move that bottom)
Tearing the house down
Bottoms up
(Shooby doo wop, that bottom)
Time to party down

Move it, move it
Do it, do it
Move it, move it
Do it

Move it, move it
Do it, do it

Move it, move it
Do it

Girl, your body
Looks so fine
(Looks so fine)
Can't hardly dance
Just look at those thighs

The way you shake
Over here (over here)
You shake over there
(Over there)
Everywhere I look
I see it everywhere
(That bottom)

[Repeat CHORUS]

There's a party over here
There's a party over there
Before you know it
There's a party everywhere

Jam, jam, jamming on the left
Jam, jam, jamming on the right
But any way you move
When you move that bottom
You know it's gonna be all right

So move that bottom
Shooby doo wop, that bottom
Move that bottom
Shooby doo wop, that bottom
Move that bottom
Shooby doo wop, that bottom
Move that bottom
Shooby doo wop, that bottom

Girl, your bottom
Sure is nice
(Sure is nice)
Reminds me of
Sheer paradise
(Sheer paradise)

The way you shake over here
(Over here)
And you shake over there
(Over there)
Everywhere I look

I see it everywhere
(That bottom)

[Repeat CHORUS]

Move it, move it
Do it, do it
Move it, move it
Do it

Move it, move it
Do it, do it
Move it, move it
Do it

Bottoms up
(Move that bottom)
Bottoms up
(Shooby doo wop, that bottom)

Bottoms up
(Move that bottom)
Tearing the house down
(Shooby doo wop, that bottom)
Bottoms up
Tike to party down

(Move that bottom)
(Shooby doo wop, that bottom)
(Move that bottom)
(Shooby doo wop, that bottom)

(Move that bottom)
(Shooby doo wop, that bottom)
(Move that bottom)
(Shooby doo wop, that bottom)
