I found sunshine  
When I found you, oh, baby  
I found sunshine  
When I found you, oh, baby

Living my way alone in the dark  
Nights were dreary  
Raining every day

I got down on my knees  
And I prayed  
That someone just like you  
Would come my way

You put me in Heaven  
Your loving in the moonlight  
You're sweet as candy  
Tender as roses

You took the teardrops  
Took them away  
Today I need you, baby  
Baby, day by day by day

I found sunshine  
When I found you, oh, baby  
I found sunshine  
When I found you, oh, baby

Whether I'm one of the many  
Or one of the few?  
Ain't nobody gonna stop me  
From loving you

You'll become the  
Only one in my life  
You touched me and  
Then I saw the light

You put me in Heaven  
Your loving in the moonlight  
You're sweet as candy

Tender as roses

You took the teardrops  
Took them away  
Yeah, I need you, baby  
Baby, day by day by day

I found sunshine  
When I found you

I found sunshine  
When I found you, oh, baby  
I found sunshine  
When I found you, oh, baby

I found sunshine  
When I found you, oh, baby  
I found sunshine  
When I found you, oh, baby
