Write a letter, write another letter
Write a letter, write another letter
Iâ€™m sealing up this letter
I just finished signing your name
My friends would all be surprised
If they knew I was playing this game
Iâ€™ll pretend itâ€™s a special delivery
And just to give me a hint
Iâ€™ll use your favorite color
Smear it with your favorite scent
I know you think that iâ€™m crazy
But I canâ€™t loose what have I left
So iâ€™ve decided to write this letter
And send it to myself
So to make my story short
In the mail box I will kiss
This letter that I wrote
And itâ€™s stamped with your lovely face
When Iâ€™m alone
And I need someone to talk to
I talk to your picture
Get me a pencil and paper
And write all the things
Say all the things iâ€™ve heard you say before
But with a little â€™extra, extra read all about itâ€™
Sugar and spice
I guess it makes me feel kind of nice
I write a letter to myself
Oh, write another letter to myself
I write another letter to myself
Oh, write another letter to myself
When is a home when youâ€™re all alone
It seems so full
It seems so full
And yet so empty
Oh, I get my coat
Leave you a note and go to the places
Were we used to be
I pretend you are there
Order dinner for two
Your presence is all in the air

(repeat)

I write a letter to myself, oh, write another letter to
myself
