Intro (wordless vocals w/fuzz guitar) [2X]:

(spoken)

One month ago today  
I was happy as a lark  
But now I go for walks  
To the movies - maybe to the park

And have a seat on the same old bench  
To watch the children play (huh)  
You know, tomorrow is their future  
But to me, just another day

They all gather around me  
They seem to know my name  
We laugh, tell a few jokes  
But it still doesn't ease my pain

I know I can't hide from a memory  
Although day after day I've tried  
I keep sayin' she'll be back  
But today again I lied

Verse 1:

Oh, I see her face everywhere I go  
On the street, and even at the picture show  
Have you seen her?  
Tell me, have you seen her?

Verse 2:

Oh, I hear her voice as the cold winds blow  
In the sweet music on my radio  
Have you seen her?  
Tell me, have you seen her?

Bridge:

Why, oh, why

Did she have to leave and go away [2: oh, yeah]  
Oh-oh-oh, IÂ´ve been used to havinÂ´ someone to lean  
on  
And IÂ´m lost  
Baby, IÂ´m lost (Oh)

[Repeat verse w/wordless vocal first two lines (2X)]

Verse 3:

Oh, she left her kiss upon my lips  
But left that break within my heart  
Have you seen her?  
Tell me, have you seen her?

Verse 4:

Oh, I see her hand reaching out to me  
Only she can set me free  
Have you seen her?  
Tell me, have you seen her?

[Repeat bridge]

[Repeat verse w/wordless vocal first 2 lines (4X)]

(spoken over 2nd and 3rd repeats):

As another day comes to an end  
IÂ´m lookinÂ´ for a letter or somethinÂ´  
Anything that she would send  
With all the people I know  
IÂ´m still a lonely man  
You know, itÂ´s funny  
I thought I had her in the palm of my hand

Coda [repeat to fade]:

Have you seen her  
Tell me, have you seen her (tell me, have you seen  
her?)
