The Chi-Lites
"Lites - Hot On A Thing"

Why was I attracted to you
Tell me what man wouldn't be attracted to you, you
What could you do no other woman could do
I didn't know until I found out the truth

And I'm hot (Hot-hot-hot-hot) on a thing
You got me ever loving (Hot-hot-hot-hot) hot on a thing
Girl, I'm boilin' over, baby (Hot-hot-hot-hot), on a thing
You got me hot so hot (Hot-hot-hot-hot) on a thing, on a thing
On a thing called love

I'm hot (Hot-hot-hot-hot) on a thing
You got me hot, so (Hot-hot-hot-hot) hot on a thing
And I'm really burnin', baby, hot (Hot-hot-hot-hot) on a thing
You got me hot so hot (Hot-hot-hot-hot) on a thing, on a thing
On a thing called love, oh, love

You smiled at me, to be polite I smiled at you (Baby, when you smile)
Something in your eyes said, "Wait 'cause I'm not through"
So I stood there in a high kind of way (Baby, when you smile)
And I haven't come down till this very day

And I'm hot (Hot-hot-hot-hot) on a thing
You got me ever loving (Hot-hot-hot-hot) hot on a thing
Oh...oh...oh...hot (Hot-hot-hot-hot) on a thing
You got me hot so hot (Hot-hot-hot-hot) on a thing, on a thing
On a thing called love

I'm hot (Hot-hot-hot-hot) on a thing
You got me hot so hot (Hot-hot-hot-hot) on a thing
Oh...oh...oh...hot (Hot-hot-hot-hot) on a thing
You got me hot so hot (Hot-hot-hot-hot) on a thing, on a thing
On a thing called love, oh, love

I'm hot (Hot-hot-hot-hot) on a thing
You got me hot so hot (Hot-hot-hot-hot) on a thing
You got me burnin', baby, hot (Hot-hot-hot-hot) on a
thing
You got me hot so hot (Hot-hot-hot-hot) on a thing, on a
thing
On a thing called love

(Hot-hot-hot-hot) on a thing
You got me hot so hot (Hot-hot-hot-hot) on a thing
I'm really burnin', baby, hot (Hot-hot-hot-hot) on a thing
You got me hot so hot (Hot-hot-hot-hot) on a thing, on a
thing
On a thing called love, oh, love

(Hot-hot-hot-hot) on a thing
You got me hot so hot (Hot-hot-hot-hot) on a thing
