I was cold  
I felt used  
Caught in the gutter  
Trying to break through  
Where you going?  
Walking away  
Can you hear me?  
I can't hear you...

Hey there believer  
Give me a sign  
Are you here tonight?  
Open my eyes  
Hey there believer  
One more time  
Are you here tonight?  
Are you here tonight?  
Make me a believer

Nowhere to go  
No place to be  
Nothing's familiar  
Come remind me  
When I'm screaming  
I am afraid  
Get me out of here  
I... need you

Hey there believer  
Give me a sign  
Are you here tonight?  
Open my eyes  
Hey there believer  
One more time  
Are you here tonight?  
Are you here tonight?  
Make me a believer

You think I'm scared, but I'm laughing  
To see the clouds start rolling in  
You'd think I'm sad, but I'm smiling

I feel your breath under my skin

Breathing out  
In and out...
