BLIND

(Tasha-Ray Evin)

Started with a reply, deny  
The thing that I wanna hear  
The reason is why I do this  
Trusting in something I fear  
Why not tell me before, before  
I do what I should do  
And I will stay  
I need something much more, much more  
I do what I do  
What good is it anyway?

Can't you see you're blind  
You're missing out this time  
You didn't even try  
No matter what I do  
I can't get through to you  
You're blind, so nevermind

I've heard this before  
And I don't want to hear it again  
I'll try to ignore  
The beginning's gone, it's the end  
Turn the world upside down, for you  
And I'll do what I do  
Even if I can't explain  
I'm just stuck with the pain, oh yeah  
And I'll do what I do  
You won't listen anyway

Can't you see you're blind  
You're missing out this time  
You didn't even try

No matter what I do  
I can't get through to you  
You're blind

One day I'm gonna forget you  
If you don't try to relate how I feel, oh oh

One day I'm gonna forget you  
If you don't try to relate how I feel

Oh, I've heard this before  
I don't wanna hear it again  
Oh, you're blind  
Oh, I try to ignore  
The beginning's gone, it's the end

Can't you see you're blind  
You're missing out this time  
You didn't even try  
No matter what I do  
I can't get through to you  
You're blind

Can't you see you're blind  
You're missing out this time  
You're gonna wish you tried  
No matter what I do  
I can't get through to you  
You're blind
