Every now and then we all want somethin  
even if theres no way of gettin it  
if i stomp my feet quick that maybe be a way around  
could i get myself around it

get me what i want  
everything that i've got  
so give me what i want  
cause im a big shot

dont wanna always have to be so nice dont  
wanna hear u say well thats just life  
ill join u out when i open my mouth  
and make my way around it  
i always make my way around it

get me what i want  
everything that i've got  
so give me what i want  
cause im a big shot

so give me what i want  
i always get what i want  
u dont wanna see me when  
i dont get what i want  
thats not what u want

im not about to take no  
for an answer no if i tell  
u i cant im still gonna go  
i did it by my self and i still  
i found my way around it

get me what i want  
everything that i've got  
so give me what i want  
cause im a big shot

so give me what i want  
i always get what i want  
u dont wanna see me when  
i dont get what

i want thats not what u want

its not to lovely  
it can start get ugly  
it really bugs me if  
i dont get my way

get me what i want  
everything that  
i've got so give me what  
i want cause im a big shot

so give me what i want  
i always get what  
i want u dont wanna see  
me when i dont get what  
i want thats not what u want
